

OVER ONE HUNDRED DROWNED IN WRECK

The Valencia Went to Pieces Yesterday Afternoon and Carried Down the Unfortunates Still Clinging to the Rigging

Victoria, Jan. 22.—While vessels sent to render assistance stood off watching her, the Valencia went to pieces this afternoon on the rocks. The steamer "Queen" of the Pacific coast company, returned to Victoria from the scene of the wreck this evening having left about 11 o'clock. Owing to the heavy gale blowing and stress of weather she was unable to get closer than a mile and a half. By aid of glasses it was seen that there were thirty persons on board. They were clinging to the rigging and main mast and huddled in the rear of the ship, where the cabins were still intact and partially above the water. Three shots were heard from the Valencia, it being impossible to tell whether they were trying to get a line ashore or attempting to attract the attention of other ships.

While a party was being organized at Bamfield about ten miles distant to carry gunpowder and other necessities along the landside of the almost impassable cliff, with a few settlers and a few Government menmen to grapple the line, the news came that the ship was unable to stand the strain of the beating waves and had gone to pieces plunging all on board to the death they had been waiting off for thirty-six hours. Exhausted and without food, those on board were reduced from about 160 at the time the attempt was made to land until at noon today probably not more than forty were left. Those on board the Queen

say there was little hope that these people could hang on until morning as they were apparently dropping down as exhaustion crept over them.

The report brought by the steamer Queen is that the place the Valencia went ashore is the worst point on that part of the coast. The cliff rises almost perpendicularly from the water to a height of about forty-five feet. There is no shore line, although a short distance on either side of the point the shore line is such that a chance would be afforded to land.

The full list of survivors has reached Cape Beale. Only forty were saved out of 157. Nine men reached Burlington a telegraph station on the trail between Cape Beale and the scene of the wreck at noon yesterday, where they were washed ashore and made their way to the hut for shelter. Their names were:

Bunker, assistant school superintendent of Seattle. His wife and two daughters were drowned.
D. F. Ritchey, fireman.
Carl Samuel, first class passenger.
Carl Samuel, first class passenger, bound for Seattle.
Mike Hone, second class passenger.
Another passenger named Brown.
A Japanese second class passenger Y. Hosoda, from Oakland.
The names of the six who have reached Cape Beale are:
L. J. McCarthy, boatswain.
Thos. Shields, seaman.
F. Campbell, second class passenger, who lost his wife and fifteen year old daughter.
B. C. Ledhouse, fireman.
Albert Wells, United States navy.
John Clark, passenger.
Wm. Olin, passenger.
Thos. Lampton, seaman.
Charles Brown, seaman.

MAY START PACKING PLANT

Lethbridge May Secure an Important Industry—Belgium Capitalists Behind the Enterprise

Lethbridge, Jan. 24.—Yesterday Leon Vanhavrebe, representing a Belgian packing company, met the council of the board of trade and laid before them a proposition to establish a big packing plant here. His company has for years operating in the Argentine Republic and is desirous of opening a branch in Canada. They would require in addition to a big plant 10,000 acres of land to hold stock.

QUEBEC TOWN IS FLOODED

Business in Richmond Suspended Owing to a Deluge

Richmond, Que., Jan. 25.—About midnight the river St. Francois between Richmond and Melbourne, began to rise. At noon the whole business part of the town was under water from one to two feet deep. People are saving their effects in boats. All cellars are full and much damage has been done in Janerville. A dozen houses have been abandoned as the water is up to the middle of the first story. All business is entirely suspended.

TWO LITTLE GIRLS DROWNED

Slid Into an Overflowing Brook of Swiftly Running Water

Sherbrook, Que., Jan. 25.—Two girls one aged fourteen and the other 4 years, were victims of an accident here yesterday. The two were sliding along the foot of a hill back of Bowen avenue. A brook which runs along the foot of the hill ordinarily has but little water in it. Owing to mild weather this brook is full of swiftly running water, and the two girls, sliding into it, were drowned.

BIG EDMONTON MILL BEGINS WORK TO-DAY

Alberta Milling Co.'s Flour Mill Started Work This Morning—Has a Capacity of 300 Barrels in 24 Hours

The wheels commenced to turn for the first time today in the Alberta Milling Co.'s mill at the Canadian Northern depot and Edmonton has now in operation the largest and most modern flour mill in the province, owned entirely by Edmonton capital, operated by Edmonton talent and grinding Edmonton wheat for the Edmonton, Alberta and Northern trade.

The capacity of the mill is 300 barrels in 24 hours. The machinery, which was supplied throughout by the Nordyke & Marmor Company of Indianapolis, is the most up-to-date that money would buy.

The power plant is of the Jerome Wheelock pattern, 200 horse power, supplied by the Goldie & McCulloch Company of Galt, Ont. The elevator capacity in connection with the mill is 45,000 bushels in the No. 1 and 30,000 in the No. 2 elevator. The mill will furnish steady employment to 20 men.

The Alberta Milling company is capitalized for \$100,000 of which \$50,000 has been subscribed and fully paid up. It commences business with no liabilities, everything having been paid for out of the subscribed capital. R. D. Fraser is president of the company and C. S. Smith is the secretary and general manager. Although only organized last June they have made rapid progress during the past six months and hope to continue their operations during the coming summer to a very large extent. The company has been buying wheat at many points along the line of the Canadian

Northern during the past few weeks and hopes to get the flour business of that country for many miles down the line.

It is their intention to commence soon as the weather will permit and construct a line of elevators at points all over the country adjacent to Edmonton.

OCCUPYING THE NEW STATION

The Canadian Northern facility at the Edmonton depot moved into the new building yesterday and today are doing business over the corners of the new station. So far they are only occupying the baggage room, telegraph office and ticket office. The gentlemen's waiting room is also completed and the ladies' waiting room will be ready in a few days. Upstairs the mechanics are hurrying forward the work on the divisional headquarters offices and the living rooms which will be occupied by the agent, Mr. Sullivan. The interior finish of the depot is very handsome, especially in the upstairs offices, where some very elaborate fixtures are being put in. The building will be far enough ahead to stand inspection when the official party arrives tomorrow afternoon.

BURNS' ANNIVERSARY.

Today is the one hundred and forty seventh anniversary of the birth of Robert Burns.
"Our Monarch's birthday was but one,
Was five and twenty days begun
When a blast of January win' blew
Hamed in on Robin."

ROSSLAND WILL PLAY EDMONTON.

The Rossland hockey team, champions of British Columbia last year, will play in Edmonton next week on Monday and Thursday evenings with the Edmonton Thistles and in Strathcona on Tuesday and Wednesday evenings with the Strathconas. These games will all be under the auspices of the Edmonton Hockey Club, as per agreement with Rossland.

For some time the management of the Edmonton Thistles have been in correspondence with the Rossland team with a view to arranging games. This morning a telegram was received from W. H. Reid, manager of the Rossland team, stating that Rossland would come to Edmonton for four games next week. Manager Griffiths of the Thistles arranged with the Strathconas to have two games played in Strathcona. As the intermediates are playing here on Tuesday night, with Calgary, it was

arranged to have Rossland play in Strathcona Wednesday and Tuesday nights, Edmonton to have the first game on Monday night and the last game on Thursday night.

Owing to the large expense in bringing Rossland to Edmonton, and the big guarantee required, the admission to the matches both in Strathcona and Edmonton will be fifty cents. The games will start at 8:30.

Rossland has for a long time been famed for its hockey team. The team were champions of British Columbia last year, playing against Nelson, Fernie and other well-known teams. They are an exceedingly fast bunch of stick handlers. As there are not a few Rossland people in Edmonton, and it is seldom that such a team as Rossland visits the northern capital, there will likely be an immense crowd at the games to see how the boys from the mountains play.

TODAY'S DOINGS AT THE BONSPIEL

TRIMBLE AND CAMPBELL IN FINALS

The semi-finals in the Grand Challenge were played off this morning between Trimble, Lacombe, and Irwin, Lloydminster, and between Campbell and Wize, both of Edmonton. Trimble was victorious over Irwin and Campbell won from Wize. The finals between Trimble and Campbell are being played this afternoon. These two rinks have been showing up remarkably well in the competitions and there will be a close game for the Grand Challenge. Campbell has also won out to the semi-finals in the McDougall cup draw.

McLean, of the Fort, won out to the series in the McDougall, this morning, playing against Pearson, of Edmonton. In the consolation draw Studholme won from Congdon, and Pearson won from Supple.

Larger crowds than ever visited the rink last evening and watched with keen interest the games that were being played. And some very close games were pulled off last night. A great deal of interest centered around rink No. 3, on which Irwin of Lloydminster, was playing Shera, of the Fort, in the eighth of the Grand Challenge draw. Although the Fort boys exhibited great skill, yet the invincible Irwin came out ahead by a nice majority. Irwin has won out all the way through with the exception of one game.

The Grand Challenge narrowed down to the semi-finals, last night, and Trimble of Lacombe, Irwin, of Lloyd-

minster, Campbell and Wize of Edmonton were left.

In the McDougall cup, Campbell again won out to the semi-finals, winning from McNeill of Edmonton. Stevenson, of Wetaskiwin, won from Shera, of the Fort, and Galbraith, of Edmonton, won from McDiarmid, of Poplar Lake, and these gentlemen are now in the eighth, together with Pearson of Edmonton and McLean of the Fort, and Ibbotson of Edmonton, and Smart of Calgary.

About the nicest bit of playing last night took place on rink No. 4, where Trimble of Lacombe was playing Stevenson of Wetaskiwin, in the McDougall draw. The score tied three times during the game, and in the end the score was 7-8 for Trimble with one shot for Stevenson. Stevenson played his shot, knocking away one of Trimble's goals, and winning out by a score of 9-8.

In the draw for the Smart trophy, Wize of Edmonton, won out to the semi-finals from Stevenson of Red Deer.

The Edmonton vs. All-Comers match resulted as follows:
EDMONTON ALL-COMERS
Ibbotson..... 8 Red Deer..... 15
Wize..... 12 Innisfail..... 15
Pearson..... 10 Lloydminster..... 7
McNeill..... 13 Wetaskiwin..... 10
Fraser..... 20 Calgary..... 5
Studholme..... 6 Strathcona..... 12
McDonald..... 12 Saskatoon..... 12
Rae..... 16 Fort Saskatchewan..... 3
Galbraith..... 17 Lacombe..... 13

TWO LARGE REAL ESTATE DEALS

Two deals were closed this morning by Robert Lee of the firm of Crafts & Lee, by which two very important blocks of Jasper avenue property changed hands.

By the first deal Mr. Lee sells to a purchaser whose name is not mentioned for publication the 25 foot frontage occupied by the Canadian Pacific Express office and the Canadian Pacific land office. The price at which the transfer was made is not given out.

By the second deal Mr. Lee buys from Fred Ross, of Ross Bros., 28-2-3 feet on Jasper avenue, on the south side between Second and Third streets adjoining the ground covered by the frame building now occupied by the tea store, which is already the property of Mr. Lee. The consideration was \$450 a front foot, which establishes a new record for property prices on Jasper west.

By this deal Mr. Lee becomes possessor of property which in addition to

what he already holds gives him a frontage on Jasper between Second and Third of 80 feet, of which 50 feet is already occupied by buildings.

Mr. Lee could not be seen this afternoon and consequently it could not be learned what his intentions are with regard to building.

CALGARY NORMAL SCHOOL.

Calgary, Jan. 24.—The new Normal with in all probability be located on Block 103, Section 16, which is across the track.

The Calgary school board, to whom the selection was left, reported in favor of this block of forty lots.

The reason for making the selection seemed to be the moderate price \$15,000, the convenient location and the surroundings.

STRATHCONA REALTY STILL RISING

Eastern People Dealing for Commercial and Alberta Hotels - K. of P. Give an at Home - Burn's Anniversary To-night

Strathcona, Jan. 24.—Mr. G. W. Borg was in town today. He has been busy of late investing in real estate and has been successful in the business. He has also located a homestead about twelve miles from Mannville, which he considers an ideal spot and go down there in the spring.

Mr. Decola, late of Washington State, was in town today. He came here from the south last year and located on the Pembina river. He is now engaged building there about eighteen miles from Zion P. O. He says locations in that district are being taken up very fast, even before the land is surveyed.

We understand young Baxter, who was serving a term at the Fort, is dangerously ill at his home here under Dr. Greene's care.

The Knights of Pythias gave an at home and dance in Ross hall here last evening. There was a large attendance something like sixty couples tripped the light fantastic and enjoyed themselves immensely. After the dancing the guests retired to the Dominion hotel where an appetizing and sumptuous repast awaited the recipients.

Mr. Watt, of Innisfail, has been in town for a few days working in the interests of the Winnipeg Free Press and the Northwest Farmer.

Mr. Hemming, travelling representative of the Massey-Harris Co., was in town today looking up his agents here and classifying work for the past year.

Mr. Yates was in town recently re his school district and business connected therewith.

Mr. Mills, late of Golden, B. C., representative of the Robb Manufacturing Co., N.S., is still in town and is awaiting the arrival of pumps from the Canada Foundry Co. that he may complete his work of installation at the power house.

All Scotsmen and admirers of the great Scottish bard will remember the meeting in Ross hall tonight at 8 p.m. Premier Rutherford will preside.

The holders of real estate are feeling very happy over their sudden acquisition of wealth, owing to the rapid rise in land values here.

It is said that Postmaster Blain has secured some very valuable real estate on Whyte avenue recently.

On dit: Capitalists from the east have been lately desirous of purchasing the Commercial and Strathcona hotels here and have offered very high prices therefore, but as yet the offers have not been accepted yet but are under consideration.

Curling—Baillie 10, vs. Elmale 8; Torgerson 12, vs. Wilson 9.

CURRENT COMMENT

Calgary Alberta:—"The Edmonton Bulletin in a recent issue devotes a number of columns to a narration of the history of the street railway situation in that city. Two or three years ago the question of public ownership or private ownership came before the people, and though the Edmonton people at first decided in favor of municipal ownership, eventually the question was submitted to the people and decided in favor of private ownership. The arguments used at that time were 'precisely the same as are being used in Calgary. It was pointed out that 'Edmonton was not quite in a position to manage a street railway that it would be advisable to place the railway under private ownership for a time, giving the city an option upon purchase. The private contractors did not proceed with the work. At the present time the council of Edmonton and the people of Edmonton are unliking as one man to fight the contract to the bitter end, and are quite convinced that there is nothing but public ownership for them. That is the position in which the city will be placed in a couple of years if Calgary should make the mistake of disposing of this contract.'"

The Calgary Herald is authority for the statement that "When a man in love has the toothache his misery has reached the limit."

Toronto Globe:—"Natural gas at Edmonton is reported by the drillers, and this is another lift along the road to western prosperity."

"PUT UP OR SHUT UP"

The Regina Standard objects to the Minister of the Interior appearing in the Saskatchewan bye-elections on the ground that Mr. Oliver's presence there would encourage the civil servants to take part in the campaign. Seeing that Mr. Oliver undergirds to discharge any official proven guilty of intimidation in the recent Provincial elections and that this offer has neither been withdrawn by Mr. Oliver nor taken advantage of by the Standard and its friends the hue and cry raised by these gentlemen against civil servants looks from a distance to be more a frantic yell for general effect than a serious statement of fact. The Government officials of Saskatchewan have gone beyond the rights of citizenship why is not the offer of the Minister of the Interior accepted and these unduly busy-bodies put out of business? Instead of making charges against certain alleged partisans the Standard prefers to slander the entire body of civil servants in the most general but unimpeachable terms is the best kind of proof that that journal has not and cannot produce evidence, of its charges it makes and that its purpose is less to voice a genuine grievance than to appeal to the gallery as the victim of an imaginary wrong.

THE PROPOSED STREET RAILWAY LINE

The announcement that the city commissioners are considering the advisability of constructing immediately three miles of street railway will meet with the general approval of the citizens, the more so because the present power plant is capable of supplying the power necessary to operate this length of line. The most serious portion of a car system financially is the generating plant and if the city has a reserve of unused power or the machinery necessary for producing more power than is required for lighting purposes, this considerably lessens the immediate expense of installing a system.

While the proposed line would require large extensions at an early date its immediate usefulness would be great, probably great enough to make the enterprise profitable in the very near future. Edmonton is growing rapidly and the consequent extensions in the business and residential districts makes it necessary that means of easy communication should be provided as quickly as possible. A street railway service by annihilating distance tends to equalize real estate values, to prevent local congestion with the accompanying "boom" and "depression" in various localities. While, therefore, a three mile line would not meet completely even the present requirements of the city it would sufficiently cover the business portion to ensure a uniformly proportionate advance in the value of property.

But the construction of the line would serve a greater purpose than this in carrying the principle of public ownership into practice. The ratepayers properly appreciate the value of the street railway franchise and would promptly and decisively dispose of any proposition to grant any right or privilege in this connection to a corporation there is little doubt. But in practical affairs the amount at stake has a very considerable influence on the enthusiasm and perseverance of an individual or a community. Were there no proposal for a municipal system before the ratepayers they might prefer a company-owned system to none at all but with the prospect of a system owned and operated by the city the franchise-hunter would find little encouragement in Edmonton, while with such system in actual operation, though only on a comparatively small scale the ratepayers would have the incentive of personal and material interest in preserving their vested rights.

THE SEED FAIR

The prize lists for the seed fair are now out. They have several unique features, the first of which is a grand special prize consisting of a silver cup which will be presented by The Seton Smith Co. to the exhibitor of the best sample of Banner oats representative of 1,000 bushels for sale.

Another important feature is the farmers' meetings from 10.30 to 12 each forenoon for the discussion of the condition of the market for feed cattle, how to interest the farmers in the seed fairs, and such other subjects as the farmers may themselves suggest. A request has been made of the grain inspector, at Winnipeg, for certified samples of grain, ranging from No. 1 hard to rejected. These samples will be exhibited for the purpose of comparing them with the best that Edmonton and Strathcona districts

produce and should in themselves constitute a school well worthy of every farmer's attendance.

At the close of the fair proper there will be an entertainment consisting of music and recitations furnished by members of the faculty of Alberta College, and short speeches by the Premier, the Deputy Minister of Agriculture, and other representative men of Edmonton and vicinity on matters pertaining to agriculture, the farmer and the relation of the farmer to other classes of society.

The committee who have the matter in charge announces that entries in all classes will be free, admission to fair and lectures is free, use of a laundry mill at Potter & McDougall's is free, admission to the entertainment free to exhibitors and subscribers. Prize lists may be obtained at room 2 Sandison Block, or by writing to W. F. Stevens, Manager, Edmonton.

LOCAL IMPROVEMENT COUNCIL MEETS

Spruce Grove, Jan. 20.—The council for 1906, for local improvement district No. 27, T. 4, met here today at the call of the secretary. Members all present as follows:

John J. Metcalf, Division No. 1, Charles Dumont, Division No. 2, Dan Brox, Division No. 3.

It was moved and carried that Dan Brox be chairman for 1906.

After a lengthy discussion in regard to engaging a secretary-treasurer it was determined to advertise for tenders for the position, said tenders to be sent to W. Bristow, Spruce Grove not later than noon on Saturday, February 10th.

The rate of assessment also created some discussion which resulted in a rate of 3-18 cents per acre being agreed with a ten per cent discount if paid in full in cash, on or before July 15th, and on residents on the land could pay \$1.00 in cash and one day's work with man and team of ten hours, for each quarter section, and that ten per cent be added to all taxes unpaid on the first day of December, 1906.

Moved and seconded that E. C. McLaughlin be credited with \$10.40 on his taxes for 1905 over his regular taxes in that year.

Moved and carried that each councillor shall be a committee in his respective division to superintend the work on the roads, with power to let contract for supplying timber on bridges and culvert covering, said timber to be of tamarac not less than four inches at the small end, and said timber to be paid for out of the general tax of the respective division and that the treasurer pay the same on the order of the councillor for the division purchasing the same.

The following accounts were ordered to be paid: F. A. Smith, \$5.00; J. B. Savory, \$5.00; W. Bristow, \$5.00.

FARMERS ORGANIZE

President Warner of the Alberta Farmers Association attended a meeting in East Clover Bar on Monday evening when a branch of the society was organized there. The officers were:

John Wardrop, president; Jas. Daly, vice president; Directors—H. Luckey, R. Gibb, T. Hodgins, C. Parker, and D. Lantz. Delegates—S. Ottewill, A. Ottewill, C. Baker and G. Clapp.

The branch has a membership of about fifty.

WINNIPEG MARKETS

(From the Commercial)

Wheat—Our prices today are: No. 1 northern, 77 1-4c; No. 2 northern, 74 1-4c; No. 3 northern, 72 1-2c; No. 4 wheat, 70c; for immediate delivery. Wheat rejected for smut has been in good demand, and unfortunately the supply of it unusually large. Prices for straight wheat are: 7 1-2c under straight grade, No. 1 rejected and 10 1-2c under for No. 2 rejected. On the option market, futures closed Jan. 77c; Feb. 77 1-2c; May 80 5-8c; July, 81 3-4c. All prices are in store in Port Williams and Port Arthur.

Oats—No. 1 oats, 32 3-4c; No. 2 oats, 31 3-4c per bushel in car lots on track, Winnipeg.

FARMER'S MARKET

Wheat is a trifle lower today than last week, but otherwise the farmer's market is unchanged.

The Dowling Milling Co. quotes wheat at 53 cents for No. 4 northern, and 60 cents for No. 2.

At the city market oats are still quoted at 23 cents for feed and 25 cents for milling. Barley is 25 cents for feed.

Bovril-Helped

Breakfasts

BOVRIL can be used in many breakfast dishes. It gives just the piquant, delicious taste that adds relish to whatever it is used in.

All the flavor, essence, nutriment, and all that's food in prime beef is concentrated in BOVRIL.

It requires eight pounds of prime beef to make four ounces of BOVRIL.

Here is a morning dish that will waken up an appetite:

BOVRIL

Eight pounds of prime beef is concentrated in four ounces of BOVRIL.

One cup cold meat moistened with one teaspoonful Bovril in one-half cup boiling water; place in a shallow baking dish; cover with three-quarters of a cup of tomato; spread evenly over all two inches cold mashed potato; brown in oven.

Bovril is prepared only by BOVRIL LIMITED, LONDON, ENG., and MONTREAL, CANADA.

By special appointment Purveyors to His Majesty King Edward VII.

Land and Business Exchange,
Edmonton, Alberta, Canada

TOWNSHIP 48,

All 31-49-14. This section is nearly all open land, soil of black loam, clay subsoil, the G. T. P. survey runs within half a mile, \$9.00 per acre.

TOWNSHIP 49,

All of 19-49-13. Surface slightly rolling, nearly all open land. Since the rise in C. P. R. land this is exceptionally good value at \$8.00 per acre.

N. 1/2 35-49-19. About half of this land is open, balance has some small brush; very rich black soil, ten acres of meadow on the north-east corner, \$9.00 per acre, \$1280 cash, balance equal annual payments.

All of 27-49-18. Some brush and small poplar groves, surface nearly level sloping slightly to a draw on each side, soil deep black loam covered with a heavy growth of grass. Three miles make a splendid farm, can sell separately east or west half, \$9.00 per acre, easy terms.

TOWNSHIP 50,

E. 1/2 35-50-24. Surface slightly rolling. Some brush. Log house and two miles of wire fencing, \$7.00 per acre, easy terms.

TOWNSHIP 51,

S. 1/2 12-51-13. 320 acres, good soil, \$2400, half cash, balance easy terms.

N. E. 1/4 15-51-25. This is a good quarter section for any party wanting an improved farm. 62 acres under cultivation, small log house and stable. The quarter all fenced with rails. Three miles from C. P. R. station, half a mile from school, 3/4 of a mile from church. The soil is good, being a deep black loam, clay subsoil, \$2450 with cash payment of \$950, and \$190 a year until paid.

W. 1/2 15-51-15. This is a beautiful half section, surface slightly rolling, some brush and poplar groves, about 70 acres hay meadow, soil very rich deep black loam, clay subsoil. \$9.00 per acre, one third cash, balance one and two years.

TOWNSHIP 52,

W. 1/2 16-52-13. Mostly level, soil deep black loam, clay subsoil, nearly all open land, 15 acres broken this year. This is a choice piece of land well located one and a half miles from C. & P. station, \$9.00 per acre, half cash.

E. 1/2 and N. 1/2 W. 1/4 32-52-13, 480 acres. Slightly rolling, soil deep black loam, with a heavy growth of pea vine and vetch, very little brush. \$8.00 per acre, half cash.

River lot 27 of the Edmonton Settlement, 158 acres, joining the Saskatchewan River. This is an improved farm one and a half miles from Edmonton. 75 acres broken; frame house of six rooms, good stable and granary, with plenty of coal in the river bank. This farm will some day divide up for market gardens. Offered today at \$100.00 per acre, \$10,000 cash, balance on a mortgage at 8 per cent.

TOWNSHIP 53,

Frac. S. 1/4 28-53-23, 198 acres, surface slightly rolling, soil black loam, 4 to 9 feet deep, with clay subsoil, 100 acres cultivated. Log house 18x22, 1-1-2 stories high, small log barn. For a man wanting an improved farm this is one of the finest that is offered. \$30 per acre, \$4000 cash, balance 1 and 2 years.

N. W. 1/4 18-53-21. Surface slightly rolling, soil a deep black loam with a clay subsoil, good value \$12.00 per acre, half cash, balance 6 and 12 months.

E. 1/2 28-53-22, an improved farm 7 miles from Fort Saskatchewan, surface slopes slightly to the creek, running across the half section, soil deep black, clay subsoil, 80 acres under cultivation, all fenced with wire, tamarac posts, one mile from school, telephone and church. This is a good buy, \$19.50 per acre, \$2500 cash, balance to suit purchaser.

All of 8-53-15. Surface slightly rolling, soil black loam, clay subsoil, a creek runs across the east half of this section, water the year round, this is a fine section, and well located, one half mile from railroad siding; \$8.00 per acre, \$2850 cash, balance annual payments.

W. 1/2 9-53-15. Slightly rolling, and nearly all open land, one and a half miles from C. & N.R. siding; \$8.00 per acre, \$1500 cash, balance mortgage four years with option of paying at any time.

S. E. 1/4 12-53-19. Surface slightly rolling, soil black loam, clay subsoil, 75 acres under cultivation, log house 16x24, two stories, kitchen, 12x18, barn and stables, two

good wells of water, and a creek running across one corner. This is a good property for a man wanting an improved farm. Would sell sheep, cattle and horses with the farm. This farm without stock \$3000, half cash, balance two equal annual payments.

TOWNSHIP 54,

B. 1/2 21-54-16. This half section was plowed out some years ago. The soil and location is the best. \$9 per acre, easy terms.

W. 1/2 2-54-28. Almost level, soil of black loam with very little brush, could all be cultivated, but about twenty acres of meadow in one corner. Half a mile from Rm. post office and store. This is a splendid farm and is offered cheap at \$11.00 an acre, \$1000 cash, balance easy terms.

TOWNSHIP 55,

W. 1/2 7-55-25. Surface slightly rolling, soil black loam, with a clay subsoil. This is an extra good half section per grain and stock, \$10.00 an acre, half cash, balance yearly payments.

S. 1-2 and N.W. 1/4 17-55-25. 480 acres, all fenced with wire and rails, 220 acres under cultivation, four miles from Morinville, a town on the C. N. R., \$17.00 per acre.

N. E. 1-4 34-55-22, and S. 1/2 and N. W. 1-4 35-55-22, 240 acres all fenced with wire, six miles from Fort Saskatchewan, half a mile from school, \$9.00 per acre, easy terms.

TOWNSHIP 56,

N. W. 1-4 8-56-22. Surface slightly rolling, soil black loam, clay subsoil, 70 acres under cultivation and fenced, about 30 acres of timber. This whole quarter can be cultivated with very little work, has frame house 16x20 one story, and a half high, \$15.50 per acre, \$1500 cash, balance, mortgage for two years.

N. E. 1-4 10-56-26. This is a fine improved farm, surface slightly rolling, black loam soil, and clay subsoil. Log house 24x20 storey and a half; granary 20x30 hewed log, all fenced with wire. In a good locality. This farm is being offered for \$20.00, and is one of the best buys today.

S. E. 1-4 6-56-23. Locality good, surface slightly rolling, soil a deep black loam, clay subsoil, two miles from school, post office and store, \$7.50 per acre, \$240 cash, balance six equal annual payments at 7 per cent interest.

HOSPITAL BOARD

DISCUSSED REPORT

Institution in Favorable Financial
Condition—Directors Elected

The annual meeting of the Edmon-
ton public hospital board was held in
the council chamber at half-past three
yesterday afternoon at half-past three.
There were present President John A.
McDougall, Secretary Alex. Butchart,
Messrs. T. M. Turnbull, G. F. R.
Kirkpatrick, A. T. Cushing, Rev. A.
M. McDonald, Rev. C. H. Heustis, Rev.
A. S. Tuttle, Dr. Ferris, Dr. Smith,
Dr. Whitelaw, Prof. Riddell, Mrs. Fred
Ross, Mrs. Robertson and Mrs. Rid-
dell.

Secretary Butchart read the minutes
of the last annual meeting held Janu-
ary 27, 1935, which were approved by
those present.

The annual printed report was then
distributed among those present. Mr.
Butchart stated that copies had been
sent to the various contributors to the
hospital work.

President John McDougall expressed
his regret that there was not a larger
attendance at the meeting, as the small
numbers showed a lack of interest in
the hospital work. The report which
was in their hands was a very com-
plete and satisfactory one, and the
work of the past year was very en-
couraging to those who took an in-
terest in the work.

Rev. Mr. Heustis suggested that in-
stead of reading the report, the secre-
tary point out some items of signifi-
cance which it contained. Mr. McDou-
gall took notice that the report indi-
cated the steady progress of the institu-
tion, also of the fact that the medical
men of the city, had given their hearty
sympathy and goodwill to the work.
Another point worthy of special notice,
Mr. McDougall said, was the mag-
nificent work done by the Ladies Aid
Society during the year.

Dr. Whitelaw expressed the opinion
that the salaries being paid the nurses
under instruction at the hospital were
higher than those paid in the east.
Dr. Ferris stated that they were higher
than in Brandon, but he thought it
was a move in the right direction.

Mrs. Ross asked if it was the wish
of the board that the ladies further
canvass for personal subscriptions to-
wards the hospital work. Mrs. Ross
stated that there was still \$2900 of
the note on the old hospital to be paid.
Mr. McDougall thought the ladies
should have full liberty to do as they
thought best in the matter.

Mr. Cushing thought that it would
depend a great deal upon what was
done towards a new hospital as to
whether personal subscriptions should
be canvassed for.

Mr. Heustis wished to know whether
the response had been large from
outside churches from the collections
taken on special Sundays.

Mr. Butchart said that contributions
had been received only from the Pres-
byterian church at Totland and from the
United church at Ledue.

In connection with the amount re-
ceived from patients, Dr. Ferris asked
how much of this amount had been
received from patients in the hospital
previous to 1935. Mr. Butchart stated
that a comparatively small part of the
amount came from old debts.

Mr. Kirkpatrick moved the adoption
of the report, which was seconded by
Dr. Ferris. The motion carried.

In connection with the building of
a new hospital, the site on Tenth
street near the river, was discussed.
It was the opinion of the medical men
present that this site would be very
unfavorable in case the high level
bridge were built as proposed on Ninth
street. The noise of the trains and
traffic on the bridge would be very
undesirable if a hospital were built on
this site.

Mr. Cushing wished to know what
the special committee appointed to look
into the matter of sites, had done.

Mr. McDougall explained that the
committee had not done much during
the Christmas rush of business, and
that the matter had been left until af-
ter New Year's.

Mr. McDonald moved and Mr. Cush-
ing seconded that the committee be im-
pressed with the necessity of taking
vigorous action in the matter at once.

Mr. Heustis and Mr. Cushing moved
a vote of thanks to the Ladies Aid
Society for the splendid services they
had rendered to the board.

Dr. Ferris moved that the directors
of 1935 be re-elected for 1936.

Mrs. Ross asked leave to withdraw
from membership of the board, and
stated that it was the wish of Mrs.
Manson and herself that they act no
more upon the board.

The gentlemen expressed their deep
regret at the withdrawal of the ladies
stating that they had been valued mem-
bers of the board.

Mr. Cushing was not in favor of
re-electing the old directors, as he
thought better workers could be found
than were at present on the board.

The following gentlemen were then
elected to the directorship:
Messrs. Kirkpatrick, Turnbull, Mc-
Dougall, Cushing, Mowatt, Blouey, K.
W. McKenzie, Wm. Short, Revs. Mc-
Donald, Gray, Heustis, and Riddell.
John McDougall was re-elected pres-
ident, Prof. Riddell vice-president,
and Alex. Butchart, secretary.

FARMERS' PAGE

WEEDS AND HOW TO GET RID OF THEM.

(From Hints to the Grain Grower, by T. N. Willing)

Weeds are, from the farmers' point of view, such native or introduced plants as by their more vigorous habits of growth, tend to reduce the production of marketable crops, or, such plants as in any way may prove injurious to animals. Certain weeds known to be of bad character, mostly natives of other countries, have been officially listed as noxious, and under the provisions of the noxious weeds ordinance, must be destroyed by the owners of property. The mere fact of some of these weeds being found on farms has a very depressing effect on the value of the land for purposes of sale and there is no doubt that when weeds are abundant on a farm they add greatly to the cost of producing a crop. They use the plant food and moisture which is wanted by the crop. The space they occupy should be filled by profitable plants. They necessitate the use of more time at harvesting and are a tax on machinery and cause a vexatious loss of time.

An increase of one bushel of grain per acre might easily be secured by the little extra cultivation necessary to suppress the weeds and this would mean about a million and a half bushels added to the aggregate product of the Territories in a season. Can the farmers afford to lose the amount of money represented by this? Any weed can be eradicated from a farm by a proper method persistently and intelligently followed. The nature of the plant, the character and condition of the soil, the state of the weather should all be considered if we would get the best results from our work.

Ways of Spreading.—Weeds spread by natural means, such as seeds being carried by the wind in summer or drifting with and over the snow in the winter. Birds and animals carry them attached to their feather, hair or feet and many seeds that have been consumed are passed in the dung without their vitality having been impaired. Streams aid greatly in distributing seeds and consequently the banks of irrigation ditches should be closely watched and kept clear of them. They are spread by the agency of man in poor seeds, amongst feed grain or fodder, in material used for packing goods, and by means of farm machinery being moved from field to field.

Method of Eradication.—Hand pulling is most effective in the case of annuals and biennials and is a means of saving many a farm from being overrun with weeds. One weed left to ripen seeds means that hundreds of thousands of it may be found there another season. A walk through the growing crop can be made very profitable by the pulling and burning of even a few weeds. Care should be taken after pulling not to throw down the weeds with partly grown seeds, as many of them will ripen sufficiently to grow.

Shallow cultivation is death to annuals, and if frequently repeated, is equally effective for all weeds whether practiced with a hoe, plow or flat tooth cultivator. Plants cannot live for any length of time without leaves, which are absolutely necessary for their survival, therefore by cultivating so as to prevent their formation the roots must die. The drag harrow will only kill weeds if used when the soil is in good tilth, and the weeds are in seed leaf or very young and tender, a stirring of the soil on a bright hot day will expose the roots to the sun with fatal effect.

Deep plowing for the destruction of perennials should be done at the time when they are weakest and that is just before they come into bloom. The weeds should be completely covered by using a chain on the plow, or cut and removed before plowing. Later in the season the deep plowing should be followed by shallow cultivation with duck foot cultivators or sharp plow to destroy any growth which may have

Spraying is a good method of destroying weeds on gravel walks or roads, but it is not recommended in a practical way of dealing with the weeds of our extensive grain fields. In the first place the strength of the spray would have to be very strong to kill all the species of weeds found in the grain and then it would injure the grain also. The two per cent blue-stone solution, which does not injure the grain, has been found effective for the destruction of wild mustard, but is not equally destructive to the weeds most abundant and trouble some to the farmers of the Territories. The soil would not be benefited by spraying as it would be by cultivating it, and the expense of treating large areas would be out of proportion to the profit.

Seeding to Grass.—When a large area of land is badly infested with weeds than can be conveniently handled it will pay to seed a portion with brome grass in the spring after a shallow plowing. The growth should be kept closely mown during the first season so that few weeds may mature seeds. It must be remembered, however that the grass will only keep the weeds in check by its strong growth, but will not eradicate them from the soil. Proper cultivation for eradication should be resumed at some future season.

Alberta Cafe

MARK TWAIN IN AN AFTER
DINNER SPEECH

said, "be good and you will be lone-
some." The great humorist evidently
overlooked the fact that there are noth-
ing but good people here, and they are
never lonesome. Our restaurant is al-
ways bright and cheery and homelike,
and the delicious meals that are served
and the dainty bit-bits that tickle the
palate make it the place that is sought
out by epicure and gourmet.

sertion.

LOCAL

—St. Andrews supper tonight at the
Queen's hotel.

—The Alberta College Literary So-
ciety meet tomorrow night.

—The boys brigade of the Presbyterian
church will meet for drill this
evening at seven-thirty.

—J. B. Gunn, of the National Trust
Co. here, has been appointed manager
for that company in Saskatoon.

—A hockey match will be played to-
night at half-past ten, between the
"Hungry Seven," of J. H. Morris' store
and the "Never Sweats" of the A. Mc-
Donald Co., at the Thistle rink.

—The St. Andrew's Society holds its
annual banquet at the Queen's hotel
tonight. Tickets may be obtained at
the hotel before the banquet which
begins at 9 o'clock.

—The Breamer Circle will meet in
Horseshoe hall on Friday evening at 8
p.m. As well as the usual dance pro-
gram, songs, cornet solos, Highland
flings and Scotch reels will be pre-
sented. Members are requested to be
as near on time as possible.

—H. H. Abbott, assistant general
passenger agent of the C. P. R., with
headquarters at Calgary, is in the city
today having come up the line last
night. Mr. Abbott came up to adjust
a few minor freight rate matters with
local shippers. He will be in town for
a couple of days.

—The Calgary Intermediates will
play in Edmonton at the Thistle rink
on Tuesday evening next with the in-
termediate Thistles. This match will
be for a set of silver medals donated
by Frank Goode, President of the This-
tle Intermediate club. The game will
commence at 8.45.

—The annual meeting of the Ed-
monton branch of the Lord's Day Al-
liance will be held in the First Baptist
church, Second street, tomorrow
Friday evening at 8 o'clock. Officers
will be elected for the ensuing year,
and Rev. J. G. Shearer, travelling sec-
retary of the Alliance, will be present to
address the meeting.

—The seed fair to be held here next
month is one of a series being held
throughout the west under the aus-
pices of the seed branch of the De-
partment of Agriculture, Ottawa. The
direction of the fair is under the con-
trol of Mr. D. C. McKillop and the
fair held so far have been uniformly
successful and well attended.

—Calgary Herald:—Passengers from
Strathcona by Saturday night's train
had a hard trip. The engine was
disabled about 17 miles south of that
point and there was some delay, till
another was sent to the rescue. Then
when Aldrie was reached the water
tank was frozen and there was an-
other stop. Finally the train pulled
into Calgary about 8 o'clock Sunday.

—Winnipeg Commercial:—Mr.
Arthur Congdon, wholesale boot and
shoe dealer, Winnipeg, was in Ed-
monton last week, with a view to
locating a branch of his business
there, and purchased lots 175, 176,
block 2, Hudson's Bay Company's
survey on Third street, opposite
corner from McDonald & Co.'s ware-
house. Mr. Congdon has plans pre-
pared for the erection of a tempo-
rary warehouse, on a portion of the
property, which he expects to have
built and filled with a stock of goods
by April 1. It is Mr. Congdon's in-
tention to proceed as soon as possible
with the permanent warehouse on
a corner location. He expects to
leave in a few days for the east and
will have stock shipped to Edmon-
ton with the least possible delay. Mr.
Congdon said to a representative of
The Commercial that, after having
opened a branch in Calgary at the
first of February, 1905, he was very
likely a year or two ahead of re-
quirements in Edmonton, but pros-
pects were so bright there and the
progress of the city so rapid that
he felt justified in taking steps to
establish in the northern capital. He
states that real estate in Edmonton
and Strathcona is very active, and
a great deal of property is held there
at higher prices than that of similar
property in Winnipeg.

THE H. S. LITERARY SOCIETY.

(Contributed.)

A meeting of the H. S. Literary So-
ciety was held yesterday, after-
noon, in the All Saints
School-room, at which a very inter-
esting programme was given as fol-
lows:

1. Piano Solo—The Mocking Bird,
Miss Ruby Beals.

2. Recitation—Two dogs, Miss
Ethel Beals.

3. Song—My Old Kentucky Home,
Misses Wade, Beals, Kelly, Schroter.

4. Reading—Today and Tomorrow,
Mr. Rae.

5. Piano Solo—Chasen des Alpes—
Miss Marian Stewart.

6. Debate—Resolved that the pul-
pit exerts more influence than the
Press. The affirmative was taken by
Mr. T. Beals and Mr. W. Shannon;
the negative was taken by Mr. W.
Blackett and Mr. A. Jones.

The programme was a very credit-
able one to the committee, those tak-
ing part all appearing to have done
their best. Miss Ruby Beals' piece
was well rendered and was heartily
applauded. Miss Ethel Beals' Scotch
piece was very well received by all,
particularly by several who profess
to belong to the land of the heather.
The ladies quartet was a new idea al-
together and, I am sure we shall all
be pleased to hear from it again.
Although this is not the first time
that Mr. Rae has appeared before us
as a reader, we were all glad to hear
from him again, and his "Today and
Tomorrow" was thoroughly appre-
ciated. Miss Marian Stewart's piano
solo was very well rendered.

The four boys who took part in the
debate did remarkably well, consid-
ering that this was their first ap-
pearance on the platform as debaters
and also considering the difficult subject
they had to debate on.

Following a few remarks made by
the critic, Mr. Johnson, Mr. Ellis
gave the judges decision in favor of
the negative.

Mr. Ronald McDougall, an ex-pres-
ident of the literary society, gave a
short address.

The meeting closed with the singing
of the National Anthem.

PERSONAL

S. Cloutier and L. Boudreau, of St.
Albert, are registered at the Wind-
sor.

Mr. and Mrs. Wm. Ramsay enter-
tained a number of young friends
at their home, Rice street, last
evening.

Mrs. R. Connor returned to the city
on Saturday's train after a few
week's visit with her daughter Mrs.
J. W. Shera, of Fort Saskatche-
wan.

PARENT THINKS SON WAS ABUSED

Mr. Editor:
Kindly allow me space in your pa-
per to reply to the article "The Prin-
cipal Exonerated" which appeared in
last night's issue, and clearly state
to the public the facts which led to
"the thrashing" and to my appeal to
the school board. I feel that I am jus-
tified in thus exposing the treatment
to which a pupil was subjected in Mc-
Kay avenue school.

When the school was assembled at
1.30 on Thursday afternoon last, for
not being in "proper position," my son
was told by his teacher Miss Brill,
to leave the room, which meant to go
to the hall, where he was kept stand-
ing until after three o'clock, when Miss
Brill severely whipped him and allow-

ed him to return to the room. He then
asked permission three times to be ex-
cused, (the school in the meantime
having had intermission, which he had
been denied), but his teacher ignor-
ing his request, he was obliged to
walk out. She called for him to re-
turn, to which he replied, "I must go,
Miss Brill." He came back in about
three minutes and entered the room
but was immediately told, "Go to the
hall," where he remained until school
was dismissed at four o'clock. He then
took his cap to come home but Miss
Brill still said, "Remain in the hall,"
which he did for the space of two
minutes or longer.

On Friday morning when school was
again assembled, Miss Brill told the
lad he must make an apology, before
the school, for his conduct on the pre-
vious afternoon, which he repeatedly
refused to do, although Miss Brill told
him he would have to, or Mr. Scott
would whip him until he did. Still
refusing, feeling that he was not in
the wrong, she attempted to take him
to Mr. Scott's private room. He par-
tially wrenched away but Mr. Scott
was called and the boy was handed
over to him. The principal, leaving his
private room to procure the strap, the
boy made a bold break to get away
but Miss Brill, standing in the door
rushed and caught him, but, not being
able to hold him, Mrs. McRae came to
her aid and Mr. Scott, arriving with
the instrument of torture, bore him off
to his "private room," where he in-
flicted blows which are still black on
the boy's legs.

Four hours later, when Dr. Ferris
in the interest of the school board, ex-
amined the boy, viewed the swollen
welts, and reported to me that the
rapid pulsation of his heart gave evi-
dence of the nervous shock sustained.
I acted on his advice, which I now re-
gret that I did, and brought the matter
before the school board. Instead of ap-
pealing to a court of justice, where
it may not yet be too late to take ac-
tion.

MRS. MITCHELL.
